Extending this ticket **4 more days** to complete task status:

Still waiting for the online publication wireframe from the pankaj kumar to create UI layout

Daniel has OK with the some of the components shown in the demo of publication online page after that Daniel, Pankaj Kumar and me had a discussion to update the publication online.

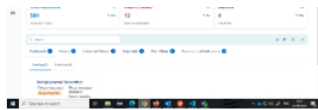

Once Pankaj given has given the UX design layout will complete the remaining page.

Note: **I need 2 more days to complete to this task**

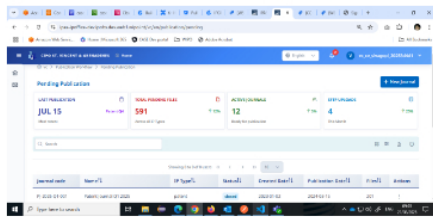

Created online publication journal page and still in progress. Need to show this UI to Daniel and take review from him.
